155-2-4-.01 Licensure – Deferred Presentment Services Act

(1) The provisions of the Deferred Presentment Services Act are to be liberally construed to effectuate its purposes as a consumer protection statute and require a license to be obtained by any person engaged in deferred presentment services. A license for each location from which such business is conducted must be obtained from the Supervisor of the Bureau of Loans prior to engaging in the deferred presentment services business.

(2) The deferred presentment license application shall be completed and shall include all fees, forms, and exhibits as requested. The Supervisor may require any applicant to provide additional information. An application is not considered final until all requested information has been submitted.

(3) The Supervisor shall grant or deny a license application within ninety (90) days from the day of completion unless the period is extended by written agreement between the applicant and the Supervisor.

(4) An application that is not reviewed for any failure of the applicant shall be deemed to be a withdrawal of the application and not deemed a denial of the application.

(5) A license, executed by the Supervisor, is evidence of a deferred presentment lender's authority to engage in deferred presentment loans within Alabama. No other license issued by the Supervisor authorizes a person to engage in deferred presentment loans within Alabama.

(6) A licensee shall maintain unencumbered cash assets or its equivalent of at least twenty thousand dollars (\$20,000) at all times for each location. The Supervisor may require evidence of such assets at any time.

(7) Once a license is issued, each licensee shall keep current information required for licensing by reporting any changes or additions to the Department within thirty (30) days of such change or addition.

(8) Applications for renewal of license shall be submitted in the form prescribed by the Supervisor of the Bureau of Loans and shall include such information, statements and representations as may be required by the Supervisor.

The Supervisor may request such information at any time should he or she have reasonable cause to believe a change in licensee's ownership has occurred.

155-2-4-.07 Records – Deferred Presentment Services Act

(1) Each licensee shall maintain adequate files at each licensed location containing all information necessary to verify compliance with the Deferred Presentment Services Act and regulations, including, but not limited to, the following:

(a) Customer Account File: Each customer's file must contain all information kept by the deferred presentment licensee, including each original Customer Agreement with a copy of the check or debit authorization, "APPROVED" message from the third-party database provider, copy of any returned check and records of any collection activity or extended repayment plans, and copies of any other documents kept regarding the customer. Documents and payment histories must accurately reflect the amount of payments made to and by the borrower.

(b) Loan Register of Agreements Executed: Customer Agreements must be consecutively numbered and a loan register must be maintained. The register must contain at a minimum the customer's name, transaction date and Agreement number. In lieu of a loan register, providers may keep a notebook with a copy of each deferred presentment agreement executed in consecutive order. Licensee must also keep any "voided" loans and be able to account for any missing numbers.

(c) Litigation Log: An up-to-date list of suits filed against customers providing at a minimum the customer's full name and address, transaction date, Agreement number, amount of check, maturity date, amount of claim, name of court and judge, date filed, date of judgment and amount awarded, date(s) and amount(s) paid; notation when paid-in-full. Copies of the returned check or ACH item, customer agreement, filed copy of the Statement of Claim, and receipts for all court costs must be attached to the log.

(2) "Records" shall mean any item in hard copy or otherwise produced in a format of storage commonly described as electronic, imaged, magnetic, or otherwise.

(3) Each licensee shall preserve and make available such books and records related to each of its loans for two (2) years from the date of the final entry into such records are made thereon. The records shall be maintained for such time period whether the deferred presentment lender is currently licensed or previously licensed. Licensee shall maintain all records at its licensed location unless the Supervisor has given written approval for another location.

(4) Each licensee's records shall be maintained in compliance with the Act and regulations.

(5) Each licensee shall maintain separate records relating to transactions under the Act from its other business.

155-2-4-08 **Examination – Deferred Presentment Services Act**

(2) Each licensee shall ensure that all records are promptly and reasonably available to be examined and, if necessary, copied.

(3) In case of failure to comply with the Supervisor’s examination process, the Supervisor may initiate any authorized action, including the assessment of civil penalties and/or license revocation.

(4) If the examination finds any violations of the Act or these regulations, the Supervisor may initiate any authorized action, including the assessment of civil penalties and/or license revocation.

(5) In order to avoid the expense and time involved in formal legal proceedings, it is the policy of the Supervisor to afford parties who have engaged in unlawful acts and practices an opportunity to enter into stipulations, agreed settlements, or consent orders when it appears to the Supervisor that such procedure fully safeguards the public interest. The Supervisor reserves the right in all matters to withhold the privilege of an informal disposition

(6) When an examination is conducted in the State of Alabama, the examination fee shall be \$100 per day or a fraction thereof for each examiner and such fee shall be due and payable at the close of the examination.

Each licensee shall use the same approved third-party database service provider as determined by the State Banking Department.

(2) The database service provider shall afford the State Banking Department access to the database information without charge in order to conduct continuous and random inquiries to measure compliance with the applicable provisions of the Act and regulations.

(3) The database service provider shall establish and maintain minimum standards as to the database required by the State Banking Department. The database service provider must have “real time” capability to communicate with all licensees to determine compliance with the maximum loan amount for a single customer.

(3) In case of failure to comply with the Supervisor’s investigative processes, the Supervisor may initiate any authorized action, including license suspension, and petitioning any court of competent jurisdiction for enforcement.

(4) If the investigation finds any violations of the Act or these regulations, the Supervisor may initiate any authorized action, including the assessment of civil penalties, and the issuance of Cease and Desist Orders.

Appendix A

NOTICE: FEES FOR DEFERRED PRESENTMENT TRANSACTIONS MAY BE SIGNIFICANTLY HIGHER THAN FOR OTHER TYPES OF LOANS.

Maximum Fee: The most that any Deferred Presentment provider may charge for Deferred Presentment transactions is 17.5% of the cash advanced. [LICENSEE'S NAME] charges [FEE RATE] for these transactions. The following table illustrates [LICENSEE'S NAME] fee structure:

<u>Loan Amount</u>	<u>Fee Rate</u>	<u>Fee Amount</u>	<u>APR for 14-Day Term</u>	<u>Total of Payments</u>
\$100	[]%	[\$]	[]%	[\$]
\$150	[]%	[\$]	[]%	[\$]
\$200	[]%	[\$]	[]%	[\$]
\$250	[]%	[\$]	[]%	[\$]
\$300	[]%	[\$]	[]%	[\$]
\$350	[]%	[\$]	[]%	[\$]
\$400	[]%	[\$]	[]%	[\$]
\$450	[]%	[\$]	[]%	[\$]
\$500	[]%	[\$]	[]%	[\$]

No other fees may be charged for these transactions, except if a check "bounces" once it is deposited at a bank, then the provider may charge a one-time NSF fee of up to \$30.00. And if the provider must go to court to enforce payment of this loan, then you may be assessed court costs and up to 15% of the face amount of the check as attorney's fees. *You cannot be arrested or sent to jail for passing a "worthless" deferred presentment check unless the check was returned due to an account closed prior to the day of the loan.*

Maximum Loan Amount: The law limits the maximum loan amount that any one borrower may have with all Deferred Presentment providers to \$500. The provider will be verifying your other outstanding deferred presentment loans with a database to determine compliance with the law.

Term: Deferred Presentment transactions cannot be made for a term of less than 10 days or more than 31 days.

Renewal: Your transaction is due on the maturity date. You may obtain another transaction once this one is paid-in-full. However, if you cannot repay the total amount due, then, if offered by the provider, you may renew this transaction one more time upon payment of an additional fee. If you cannot pay the total amount due at that time, then, at the provider's option, you may extend your repayment into four equal monthly installments at no additional cost.

Customer Agreement: You must be given a copy of the provider's Deferred Presentment Services Agreement. You have the right to read the Agreement before you sign it. You have the right to ask questions of the provider's staff until you thoroughly understand everything in the Agreement. You also have the right to walk away from the Agreement before you sign it.
